Peter – Thanks for the explanation. I do intend to come for as many of the meetings as I can but its not likely that I can make it this month.

Paula – We don't have call in ability in Silverton, unless you wanted to listen in off of someone's cell phone. I realize Silverton is a very hard place to get to, but we also think that face to face meetings are much more productive. We've always been concerned that if we had a good call in set up in Silverton, our meetings would become 4-5 people in a room and 15 people on the phone. That just doesn't work very well.

Peter – Is there any chance that there would be a phone that we could call in on to attend? I think Steve Way is coming but I may not be able to attend this month.

Thank you.

Dear Stakeholders – Attached is the agenda for our Feb. 20<sup>th</sup> meeting in Silverton (1:30 pm). We thought we might get a larger turnout than usual, so we are meeting at Silverton Town Hall.

Also, here is a link to an updated Good Samaritan video that Tom Schillaci has produced for us. It describes the Good Samaritan liability issue and the need for legislation. Here is the link:
